

# Shaking it up to benefit the Elizabeth F. Correll Teen Center!

Watch the championship football games on big screens and enjoy the island's best cuisine at Tramici, Halyards and LaPlancha!

The Elizabeth F. Correll Teen Center (ECTC) is a vital part of our community. When teens enter young adulthood, they develop their own thinking capacities, relationship skills, and ability to regulate emotion.

The diversity and rich range of programs and ideas at ECTC makes a great impact and challenges young adults to widen their thinking and reach greater complexity.
